

**SOUTH MIDDLETON TOWNSHIP MUNICIPAL AUTHORITY**

**RESOLUTION NO. 07-11-2024-01**

**A RESOLUTION OF THE AUTHORITY BOARD ESTABLISHING  
SEWER SYSTEM TAPPING FEES IN ACCORDANCE WITH  
THE PENNSYLVANIA MUNICIPALITY AUTHORITIES ACT, 53 Pa.C.SA. § 5601, ET  
SEQ., AS AMENDED.**

WHEREAS, SOUTH MIDDLETON TOWNSHIP MUNICIPAL AUTHORITY (the “Authority”) owns and operates a municipal sewer system serving the Township of South Middleton, in Cumberland County; and

WHEREAS, the Pennsylvania Municipality Authorities Act, 53 Pa. C.S. § 5106, *et seq.*, as amended, confers upon the Authority the power to charge property owners, who desire to connect to the Authority’s sewer system, a tapping fee; and

WHEREAS, Act 57 of 2003 (P.L. 404) amended the Pennsylvania Municipality Authorities Act by revising, inter alia, the method of calculating and determining various tapping fees and tapping fee components chargeable to such property owners; and

WHEREAS, after undertaking appropriate and required study and consideration, the Board of the Authority has determined the need to establish tapping fees effective July 12, 2024, consistent with requirements of Act 57 of 2003; and

WHEREAS, the Authority tapping fees, as amended hereby, are determined by the Authority to be reasonable and uniform in accordance with the requirements of the Municipality Authorities Act.

NOW, THEREFORE, the Board of the Authority, in public session duly assembled, hereby RESOLVES as follows:

1. Effective July 12, 2024, any property owner desiring to connect to the Authority’s sewer system shall pay to the Authority prior to connecting thereto a tapping fee per Equivalent Dwelling Unit (EDU)\*, consistent with the following components:

	Tapping Fee per EDU
Capacity Part	\$3,152.00
Collection Part	\$2,258.00
<b>Total Area Wide (per EDU)</b>	<b>\$5,410.00</b>

\*Equivalent Dwelling Unit" or "EDU" means any room, group of rooms, house, trailer or other structure or enclosure occupied or intended for occupancy as separate living quarters by a family or by persons living together or by persons living alone. For a non-residential use, the sewer flows for such use, divided by 214 gallons per day and rounded to the nearest tenth of one EDU, shall be the number of EDU's for such non-residential use.

- 2 The Tapping Fee Update for Water and Wastewater, completed in conformance with Act 57 of 2003 by GHD and dated July 11, 2024, is included herein by reference, made a part of this Resolution in its entirety, and shall be made available for public inspection in accordance with applicable law. Tables 1 &2 from that report are attached to this Resolution for immediate reference.
- 3 The tapping fees set forth in this Resolution and adopted hereby shall remain in effect until changed or modified by the Board of the Authority as provided by law.
- 4 All rules, regulations and resolutions of the Authority and all parts or portions thereof to the extent not specifically modified hereby shall remain in full force and effect, it being the intention of this Resolution only to establish tapping fees as noted above and to effect no other changes to any prior rules, regulations or resolutions of this Authority.
- 5 Nothing contained in this Resolution restricts or otherwise limits any other rights or remedies that the Authority may have under applicable law.
- 6 In the event that any provision, section, sentence, clause or part of this Resolution shall be held to be invalid, such invalidity shall not affect or impair any remaining provision, section, sentence, clause or part of this Resolution. It is the intent of the Authority that such remainder shall be in remain in full force and effect.

7 All Resolutions or parts of Resolutions of this Authority which shall be inconsistent with the current Resolution are expressly repealed.

RESOLUTION APPROVED this 11<sup>th</sup> day of July, 2024.

<b>Tapping Fee - Capacity Part</b>	<b>\$ 3,152</b>

- (1) Refer to Exhibit A.
- (2) Original construction costs are as per SMTMA records (Requisition payments and/or Contract Closing Documents).
- (3) Represents one of the following:
  - a.) grant funding (Exhibit B)
  - b.) the value of facilities taken out of service (Exhibits C-1 through C-5)
  - c.) portion of project paid for with a developer and/or municipal capital contribution;
  - d.) see Exhibit D for ineligible project cost summary.

- (4) Costs associated with the Administration Building are split 50/50 between the Water/Sewer Systems. Costs shown represent costs attributed to the Sewer System only.
- (5) Headworks completely replaced as part of 2014 Enhanced BNR Upgrade, therefore total project cost from 2002 is deducted.
- (6) Refer to Exhibit E.
- (7) Includes capacity owned by SMTMA as follows: 1.3 MGD SMTMA WWTP + 1.01 MGD Carlisle WWTP + 0.233 MGD MHSBA WWTP = 2.54 MGD Total.
- (8) Calculated by dividing the total eligible capacity part cost by the permitted capacity.
- (9) Calculated per Act 57 guidelines by multiplying 90 GPD by 2.38 persons per household for Cumberland County (since the service area extends beyond South Middleton Township) as per 2020 U.S. Census Data.
